Llegarán más de 400 a probar su destreza en la pista, vendrán a demostrar que nuestro deporte es un maravilloso compañero de vida.

En esta edición se estrena la categoría de +90 años, un auténtico prodigo de longevidad y deporte que nos parece un ejemplo digno de destacar.

Quiero que sepáis que la institución que represento, la RFET, está cerca de todos vosotros durante esta aventura que es un Campeonato del Mundo. A los organizadores quiero darles mi enhorabuena porque siempre es un logro importante traer un mundial a España, en este caso a Capdepera - Mallorca.

Dear participants of the 40th ITF Team and Individual Super-Seniors World Championships,

It is with great pleasure, that I greet the participants from all nations, who are taking part in this World Championships.

It is a great honour and pleasure for me to be able to organize these Championships together with the Real Federación Española de Tenis.

We have decided to hold these Championships at this location in Capdepera- a very well-known and popular holiday location for all tennis players worldwide

With four tennis venues only 3 km away and best clay courts we can offer optimal conditions for exciting matches and hopefully with a week full of sunshine.

The Real Federación Española de Tenis and the whole tournament team will make the greatest effort to offer all players an unforgettable World Championships.

We wish everyone the success they have hoped for this Championships.

Queridos participantes de este 40 Campeonato Mundial de Super-Seniors de tenis tanto de equipos como individuales de la ITF.

Con gran satisfacción deseo, en primer lugar, saludar y dar la mejor bienvenida tanto a los equipos de todas las naciones como a los participantes de los individuales que han decidido venir aquí desde todos los confines del mundo para tomar parte en este 40 campeonato mundial.

No puedo olvidar tampoco decir que para mi ha sido un honor poder estar aquí ayudando, con mi equipo, a la organización de este importante evento mundial y por ello, quiero agradecer muy especialmente a la RFET toda la confianza que ha depositado en nosotros a tal fin.

No hace falta tampoco decir que Capdepera se ha ganado ser la sede de dicho evento por méritos propios. Este lugar (ya muy conocido, popular y muy querido por muchos grupos de tenis de casi todo el mundo que vienen a preparar sus entrenamientos aquí) reúne las condiciones óptimas para la celebración de este evento; disponer de 4 magníficos clubes de tenis en tan solo 3 km de distancia y sus increíbles playas, cultura, gastronomía, paisaje, tradición, gente y su, esperamos, buen tiempo con mucho sol harán sin duda que su estancia aquí sea muy especial e inolvidable.

Pueden estar seguros de que tanto la RFET como todo el equipo de organización haremos el máximo esfuerzo a que así sea y que puedan disfrutar de todo el torneo y la isla.

Ya para terminar, solo desearles mucha suerte y éxito en el mismo.

Saludos

ITF SUPER-SENIORS WORLD TEAM COMPETITIONS (65-70-75-80-85)

MEN

THE BRITANNIA CUP

(Men 65 Age Category)

It was first contested in 1979. Donated by Russell Young, the President of the Veterans Lawn Tennis Association of Great Britain at that time.

THE JACK CRAWFORD CUP

(Men 65 Age Category)

It was donated by Australia's Senior Tennis Association in 1983. The inaugural event was held in Brand, Australia.

THE BITSY GRANT CUP

(Men 75 Age Category)

It was first contested as an official international Seniors competition in 1994. However, the event's roots can be dated back to the late 1970s when American players in the 75+ age category came to Wimbledon and set up a match against British players. Gradually, players were invited from Europe, so the match became USA versus Europe, and the event no longer necessarily took place in Great Britain. The Americans donated a trophy in 1994, named it after the late Bryan 'Bitsy' Grant, and the competition became open to players from all countries.

THE GARDNAR MULLOY CUP

(Men 80 Age Category)

Gardnar Mulloy donated a trophy to start a men's 80 event between North America and Europe, which went on to become an official international Seniors competition in 1996.

THE LORNE MAIN CUP

(Men 85 Age Category)

The cup was first held at an ITF Super-Seniors World Team Championships in 2017. Tennis Canada nominated Lorne Main for the naming of the Men's 85 Cup in 2020. Main not only competed on the Seniors Circuit for over 30 years, winning titles at every age category he competed in, but also competed at Grand Slams and represented Canada in the Davis Cup as both a player and captain. He also was the first recipient of the ITF Outstanding Achievement Award in Seniors Tennis and remains one of only four recipients of the prestigious honour. The cup will debut under its new name, in honour of Lorne Main, in 2021.

WOMEN

THE KITTY GODFREE CUP

(Women 65 Age Category)

It was introduced in 1994 by the Veterans Lawn Tennis Association of Great Britain in honour of Kitty Godfree. The trophy was kindly donated by the Godfree family.

THE ALTHEA GIBSON CUP

(Women 70 Age Category)

It was inaugurated in Florida in 1998. The trophy was donated by the United States Tennis Association (USTA) in honour of their renowned former player. Althea Gibson won the singles title at the US Open Championships in 1957 and 1958, the Roland Garros title in 1956 and the Wimbledon title in 1957 and 1958, together with five Grand Slam doubles titles.

THE QUEENS' CUP

(Women 75 Age Category)

The trophy, a Rosewater Dish, was first presented by the ITF Seniors Committee in 2002 in St. Kanzian, Austria.

THE DORIS HART CUP

(Women 80 Age Category)

The trophy has been donated by the United States Tennis Association (USTA) in honour of their renowned former player Doris Hart. She was a six-time Grand Slam singles champion and achieved the career Grand Slam at the US Open Championships in 1954. In addition, she won 29 Grand Slam women's and mixed doubles titles. Her career was even more impressive because of the serious knee infection she suffered as a child.

THE ANGELA BARRETT CUP

(Women 85 Age Category)

The Cup was introduced to the ITF Super-Senior World Championships in 2019 and in 2020 was renamed in recognition of Angela Barrett (née Mortimer), who was nominated by Veterans Lawn Tennis Association of Great Britain. Mortimer was Britain's leading tennis player in the 1950s, with a distinguished international career in which she won three Grand Slam titles and reached World No. 1. She captained Britain's Federation Cup team from 1967-70, was appointed Commander of the British Empire (CBE) in 1967 and was inducted into the International Tennis Hall of Fame in 1993.
